

LIFE @ Lake Norman Co-op Curriculum Lending Library

The following listed curriculum is the property of the LIFE Co-op. This Curriculum is available on loan by LIFE Co-op members for co-op labs. When borrowing these materials, please do not write in them. Please return all items in the package to the LIFE Co-op Curriculum Lending Library as soon as the semester you are teaching has ended. These curriculum packages have been purchased with Co-op Member funds collected by lab coordinators or donated by Co-op Members after use.

When purchasing curriculum with Co-op member funds, please provide these materials to the Co-op Librarian (presently Marion Marcy) to be logged in and made available for future use. Individual lab costs are significantly reduced when curriculum is available to the group. NOTE: This is a SEPARATE Library from the LIFE Homeschool Group Library.
